MEMORANDUM FOR:

Office of Training

SUBJECT : Your request for Revision of DDS&T
Examination Questions

25X1A

1. In response to your request, we asked ORD and OSI to revise the following questions so as to clarify the alternatives for the multiple choice:

a. ORD.

Question: The mission of the Office of Research and Development (ORD) can best be stated as

1. Responsible for utilizing science and technology in furtherance of the Agency's mission.
2. Responsible for coordinating all scientific activities of the Agency with other science-oriented government agencies such as the National Science Foundation, National Bureau of Standards, National Institutes of Health, Advanced Research Programs Agency.
3. Responsible for Developing new concepts, techniques and devices for improving the analysis of collected intelligence data.
4. Responsible for developing sophisticated intelligence collection systems, improved security devices and technical countermeasures techniques.

(Statement 1 is the correct answer.)

GROUP 1
Excluded from automatic
downgrading and
declassification

SUBJECT: Your Request for Revision of DDS&T Examination Questions

b. OSI.

Question: Of the major USIB producers of scientific and technological intelligence concerned with atomic energy it can be stated that:

1. OSI has the sole responsibility for producing intelligence in the field of Soviet AE developments.
2. All USIB components share in this effort with OSI, but OSI is the primary contributor.
3. DIA has the primary responsibility, supplies the JAEIC secretariat and makes the major contribution.
4. All USIB components share in this effort but AEC is the primary contributor and conducts the major part of research on Sino-Soviet AE programs.

(Statement 2 is the correct answer.)

2. These revised questions might be considered for use with the other questions which you showed me last time I visited your office on 13 October.
